

ALEXANDRIA GAZETTE.

MONDAY EVENING, AUGUST 1.

SHOT HER ASSAILANT.—The Misses Alice and Sarah Champlain, about forty years old, run a farm between Utica and Whitesboro, N. Y. For nearly seven years David H. Jones, aged thirty-five, has been employed by them and proved very steady and faithful until recently, when he began to drink. The women consulted their neighbors about the change in the man's habits and were advised to discharge him. They hesitated about doing, fearing that he would, out of revenge, set fire to some of the farm buildings. About 9:30 o'clock yesterday evening Miss Alice returned home from an errand, and found her sister absent. Shortly afterwards she heard a scuffle in the back yard and on going out found Jones attempting to assault Sarah. Alice struck him over the head with her parasol, and finally with a board. Jones, who was intoxicated, left Sarah and chased Alice into the house, where he caught her, and threw her upon a sofa, under the pillow of which a revolver was kept. Alice, being almost overpowered, reached for the weapon and shot her assailant in the left breast near the heart. Physicians say the wound is not necessarily fatal. Miss Champlain is at her home in charge of a deputy sheriff. She is greatly prostrated.

Dr. Pierce's "Favorite Prescription" perfectly and permanently cures those diseases peculiar to females. It is tonic and nerve, effectually allaying and curing those sickening sensations that affect the stomach and heart, through reflex action. The backache and "dragging-down" sensations all disappear under the strengthening effects of this great restorative. By druggists.

ADVICE TO MOTHERS.
Mrs. Winslow's SOOTHING SYRUP, for children teething, is the prescription of one of the best female nurses and physicians in the United States, and has been used for forty years with never-failing success by millions of mothers for their children. During the process of teething its value is incalculable. It relieves the child from pain, cures dysentery and diarrhoea, griping in the bowels, and wind-colic. By giving help to the child it rests the mother. Price 25 cents a bottle.
